the heaven and the earth.

And the earth was without form and void, and darkness was upon the face of the deep. And God said Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. He called the light day,

and the darkness He called Night.

God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament. And God called the firmament Heaven.

And God said, Let the waters under the heaven be gathered together unto one place, and let the dryland appear: and it was so. And God called the dry land Earth, and the gathering together of the waters called he the Seas.

And God said, let there be lights in the firmament to divide the day from the night: and let them be for signs, and for seasons, and for days, and years: and let them give light upon the earth: and it was so.

And God made two great lights, the greater light to rule the day, and the lesser light to rule the night; he made the stars also.

And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after its kind, whose seed is in itself: and it was so. God saw that it was good.

And God said, Let the waters bring forth abundantly, after their kind, and every winged foul after his kind: And let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.

And then God said, Let us make man in our image, after our likness and let them have dominion over all other living things on the earth. So God created man in his own image, in the image of God created he him; male and female created he them.

But we failed him and everyone, like sheep, turned to his own way. Wandering in the desert, without a Shepherd, dying for a drink of water.

Then He came and, as in the days of Moses, the Rock was struck and the life-giving water flowed out, a spring of eternal, living water.

Jesus, our rock, our Oasis in the desert.

Registration Is Worth It

Registration — a day that almost makes you want to give up before you have even started. The usual madhouse of registration was held in the gym on August 29 and 30. A huge number of new students arranged their schedules, while old students checked in. Registration not only involved signing up for classes, but giving your autograph for a mail box, a seat in the balcony at chapel, a parking permit, and for a zero balance in your savings account. Many long lines, the major characteristic of most registrations, caused a great deal of confusion. But it was worth it, because in those lines were new faces that would become life-time friends.

Huge Crowd Gathers for All-School Picnic

Strollers in the park must have been stunned when they saw the huge crowd of kids gathered next to the river. The action took place on September 3 at Ann Morrison Park. It involved all NNC students in what is named the annual All-School Picnic. The day began with a float down the Boise River. After the stiff, blue NNC'ers revived their bodies, they indulged themselves in the barrels of food and watermelon. Races such as putting a spoon down and up everyone's clothes. thus connecting person to person, were a great highlight. Later in the afternoon the mob invaded Julia Davis Park where they met at the band-shell to relax to music provided by the summer traveling groups. It was an enjoyable. action-packed day.

Freshman Initiation Spins With Originality

Sophomores sponsored an original initiation for the freshmen this year. During the three days of September 7-9 the freshmen were cordially welcomed to NNC student body by being requested to wear beanies and carry out abnormal acts. Some of these odd acts consisted of eating with forks, carrying books in pillow cases, and getting signatures on paper plates. People driving by on the streets of Nampa must have wondered about the kind of people at NNC! The sophomores thought of everything, all the way to having a police squad give out tickets to those few Freshmen who thought they could get away with not being associated with their class. Initiation was topped off with a night of humor and games in the annual Fresheree. The freshmen were first loaded on hay trucks and taken to Lake Lowell, where they played a few games on the beach. On the way back they were bombarded by eggs and water balloons. When they arrived back at the school, skits, dialogues, and music were presented in Saga. Initiation was a full, fun, and original three days.

Society Walkathon Found Painful

September 18 on the campus of NNC, may have come upon quite a few people very painfully. Looking out across the school as a whole, one could easily pick out yesterday's participants of the Annual Society Walkathon. They hobbled to classes, limped into Saga, but somehow, miraculously managed to run back to the dorms and jump into one of the few bathtubs, to soak away their misery. Part of their torment could also have come from an evening all too "filled" with a Rootbeer Festival, that was held the night of the Walkathon, between Culver and Morrison Halls. All in all, the activities prompted quite a turnout, compiled of both brave participants and enthusiastic spectators.

Students Give Blood

Many students rolled up their sleeves this year in an effort to save lives. Eligible students donated their blood on November 4 and February 3 in the Student Center lounge. The Snake River Bloodmobile was on hand for the drives and nurses from Mercy Medical Center volunteered to write down information about the donors and to take the blood. The students of NNC really took advantage of the opportunity to help save a life.

Time-Our for Sharing

Caring, sharing, praying, and just listening could be the wa of describing the atmosphere of Time-Out. This year Time Out was held nearly every Wednesday evening at 7:00 p.m. i locations of the Administration Building, the green lawn b Wiley Learning Center, and the Student Center lounge. Chap lain Hal Poarch was in charge of the weekly service, wit many students helping with the singing. Time-Out was a tim to learn about each person in a more individual way as the shared their fears, cares, and thanks with friends and God.

NNC Students Change at Halloween

What kind of strange element in the atmosphere could have turned normal NNC students into witches and vampires on October 29? Maybe it could have been the shadow the moon cast the night of "Saga's" 10th Annual Hal-loween Costume Contest and party. Kathy Edwards, outfitted as the headless horseman, won best costume. A live horse was part of her costume. To add to this, the movie "Abbott and Costello Meet the Mummy" and a Pink Panther cartoon were shown. Skits, food, and pumpkin carols were also part of the agenda. A highlight was the outcome of the Beard Growing Contest, with Randy Mitchell winning the best beard grown in four weeks.

Saturday Night Live Proves Great Success

The eveing of November 5 was a time of laughter and real fun. It was the evening of the Saturday Night Live performance. The program was presented in a talk show style with Steve Hicks as the host and Kent Bloomquist as his side-kick. The great number and variety of acts created a show that filled the whole evening, while not being a bit boring. The show had something for everyone. Piano solos and duets by Bev Finkbeiner and Vik Odelberg proved to be a real highlight. The premier of Saga Wars, of which Dave Christofferson was photographer and director, was greatly appreciated by the crowd. The program even reflected modern television — it had commercials. At the end of the evening everyone was very pleased — the show had proved to be a great success.

The Times of Our Lives

Homecoming was a time of games.

Homecoming was a time of games, people, concerts, reunions, plays, and families — a time of spirit exploding at NNC. The weekend began Thursday with the Thanksgiving Banquet, the drama "The Staring Match," Dean Wilder and Robert Hale concert and the Bonfire to spark the fires of Wilder and Robert Hale concert and the Bonfire to spark the fires of excitement. By Friday, the sparks had grown to firecrackers of spirit which boomed on campus during the Alumni Chapel, the downtown parade, the Alumni Banquet, and finally the coronation of royalty and the homecoming basketball game. The NNC Crusaders beat the Point Loma Crusaders 85-70 that evening, overwhelming the crowd with cele-bration. Saturday was another spirit-filled, happy day with activities filled, happy day with activities including an "All-Weather Track Fund Jogathon" and topped off with another thrilling basketball game.

Homecoming 1977 — one of the great "Times of Our Lives."

Thanksgiving and Alumni Banquets

Homecoming weekend included some fine dinners at SAGA. "What a meal," exclaimed diners at the annual Thanksgiving and Alumni Banquets. The family Thanksgiving dinner was held in SAGA on Thursday, November 24 at 4:00 p.m. Entertainment was provided by the Northwesterners. The Alumni gathered for a banquet the next day at 2:45 p.m., again in SAGA. Crusader Choir highlighted this event. These banquets provided not only a time of fellowship, but a time of reflection, thanks, and love.

Mr. White	
Mr. Black	

"The Staring Match" by Jerry McNeely, was performed during homecoming weekend. The story is set in ranch country which is suffering from drought. When the community is holding a large meeting to pray for rain. there is a knock at the door and in comes a man dressed completely in white. Can he be an angel of the Lord? His announcement that he has been sent to help find them a well convinces them. But soon a second man enters, this one dressed completely in black. Mr. Black also announces that he has been sent to help the community find a well — and lets it be known that HE is an angel of the Lord. To solve the dilemma of who is the real angel, a "staring match" is decided upon, with Mr. White and Mr. Black the contestants. In the end the real angel is revealed, water is discovered, and the problems of the community are solved to everyone's satisfaction.

Couples Enjoy Valentine Banquet

The romantic atmosphere of the Rodeway Inn was the setting for this year's Valentine Banquet, held on February 9. Master of Ceremonies Steve Hicks presented the Sweetheart Court, after which Lennie Spooner sang the special song of the night "You Light Up My Life." While the steak dinners were being served, Vik Odelberg and Bob Diehm played the background music. Guest speaker for the banquet was Reverend Steve Fletcher. Patty Mollica was coordinator of the "evening for sweethearts."

Reader's Theatre

Reader's Theatre performed "She Stoops to Conquer" and "The Importance of Being earnest" on January 27, 28, and 30 in the Science Lecture Hall. These one-act comedies with love themes use the old technique of mistaken identity. Eight students were involved in the group under the direction of Professor Merilyn Thompson and Dr. Earl Owens. Another Reader's Theatre was later chosen to tour nearby schools in the spring.

Could this be your best friend in disguise?

Senior Slick

If someone had been beamed down to the NNC campus from their starship on February 10, 1978, they would have been a bit confused by the 50's college attire. People who were your best friends were hard to distinguish with their greasy, slicked-back hair, cat-eye glasses, and beautifully matched Salvation Army get-ups. Semor Slick was the reason behind all this greasy-kid stuff, and kids did a super job turning themselves into models of vesteryear. Larry Crosley, "Hoss," was awarded best dressed male. Joylyn Gunter was the best dressed female, and the best dressed couple was Matt Summers and Christy Toland. The slick was topped by an NNC basketball victory, after which there was much merry-making to the 50's tunes in the Administration Building. Saga was reformed to "Pop's Malt Shop" for the evening with drinks for all, if you bought them! It was great to be drinking a float while others into a VW. Just like in the land of make believe, it did end, with the sound of grease cans going back on the shelf, awaiting next year's Senior Slick.

"You can't take it with you . . .

Jeans and Jeans

Blue-Jeans Banquet was, well, jeans and jeans. NNC surprisingly (?) contained a vast empire of all kinds of "jeans." But that's not all the crowd gathered to feast on, for, also as part of the occasion was the world's (or at least NNC's) largest Blimpie sandwich. Bigtummied seniors gobbled down the stacked sandwiches while sitting everywhere in those funny-looking jeans. This wild party was held in the Administration Building on March 31.

Junior-Senior Retreat Held at Triple R Ranch

Junior-Senior Retreat was held April 7-9 this year at the Triple R Ranch, located six miles south of Riggins, Idaho. The ranch not only has great outdoors, but features a 50 x 80 log dining hall and a modern dormitory constructed of logs. Dana Walling was the speaker for the retreat. The weekend included times of interaction sessions, hikes, games, and horse rides. On Sunday morning the worship services was held out of doors. The retreat was a special time of sharing and refreshment for the juniors and seniors before the busy last month of school. The juniors planned and sponsored the event.

Malibu Day Final Fling

Malibu Day '78, closed out the school year calendar with a final fling in Saga. It began with a picnic style dinner. complete with paper plates and fried chicken, and ended with a shot at Elvis Presley in his famous "Blue Hawaii." Students were entertained with musical talent from all walks of life, some serious, some . . . not quite. Everyone gathered in for a bit of "not so clean" fun, with a shaving cream "hairdo" contest, and what one could label as a human tug-of-war, men against the women. Sadly enough, although naturally, the freshmen women cremated the senior men. A mattress toss was also included in the agenda - but the favored activity over all, was the male wet T-shirt contest! Participants were thoroughly drenched with water, and then brought forth before a cheering audience (of women). Summerizing all, ice fight included. Malibu Day was quite a success, with Terry Smith jovially performing his duties as MC.

Graduation 1978

May 14, 1978 Graduation! A day anticipated, a goal reached, a dream fulfilled. To continue to dream, to fear the unknown, to hope for the future. A sense of foreboding and yet the

pride of past accomplishment givin way to an undaunted zeal and confidence for the future. "I can handle anything!" Can I, really? I worked hard, struggled, floated, and many times let down, but I made it. Four years

and I have succeeded in accomplishing that which I set out to do. No longer the security of college — what now? Loneliness, a let down and tearful good-byes to those I love so much. Yet, we share in a future, influenced

by NNC, strengthened by God and relationships, destined to be an instrument of the Creator. Graduation a culmination a continuation

This creation is gorgeous, this is wonderful. Painted just for me — And as I sit before it in it's development, I wish so desperately that I could put it in my pocket and take it home to show everyone -what I see. But I can't, so I scribble on in fury to describe it with words. And the fire rages! Even the dewdropped grass burns with colour. Real colour, of Eternity's quality. The mountains bravely silhouette, and let the flare pour from behind. Where there was darkness and void before my eyes --now bright beauty lies. No wonder the Master shouted: "Let there be Light!" I (can) understand so much more today. B. Ann McClees

On May 15, a group of 15 NNC students will be off to New Brunswick Canada. These students applied for the "job" and were interviewed before being accepted. While in New Brunswick, they will help build a church, furnish a sanctuary, help with Vacation Bible School and participate in Community Outreach. Before a decision was made as to where to go, a GMS council discussed several possibilities, finally deciding on New Brunswick.

Model United Nations

The purpose of Model United Nations, as stated in its Charter, is "to stimulate a deeper knowledge of the United Nation Organization, and to develope and establish a working understanding of the humanitarian, social, economic, cultural, legal, and political problems of the world, and to provide a free and open forum for the study and discussion of these problems "with member schools

14

resolved to combine . . . efforts to accomplish these aims.*

M.U.N. held its first session at Stanford University in 1951. Since then the number of participating students has grown from 350 to over a thousand. Students from N.N.C. have been involved in this organization for over a decade, traveling this year to Seattle to represent New Zealand at the XXVIII Session. Besides receiving advise from Steve Burton, a native of that country, participants studied voting records and foreign policy to guide them at the session. Tom James served as delegation chairman in the General Assembly, with Dean Cowles assisting. Dr. Raymond Cooke is the advisor.

Pi Omicron Presents Bridal Show

Pi Omicron, the student organization for Home Economics and related majors, highlighted their year by presenting a Spring Bridal Show in the Science Lecture Hall. The Hostess Shoppe of Caldwell and the Belle and Beau of Nampa both helped a great deal by coming and showing what they had to offer. The show started out with some NNC men modeling tuxedos from the Belle and Beau, and then girls from the club modeled wedding dresses from the Hostess Shoppe. After this Nick Long discussed wedding photography. Afterwards everyone was treated to wedding cake and punch. The show was a big success for the Pi Omicron club.

Crusader Choir performs from twentyfive to thirty sacred concerts each year, including concert tours across the NNC Educational Zone. This year the tour took the choir to Northern Idaho, Washington and Montana. The choir also has performed a number of major works with the Boise Philharmonic.

On May 14, the Crusaders left Nampa for their third tour of Europe where they have been invited to sing at the Cathedrals of Canterbury, England and Notre Dame in Paris, France. They will have also sang in Nazarene Churches, Army and Air Force Bases and a number of other places in seven countries.

Crusader Choir Tours European Countries.

The Northwesterners, a vocal ensemble of sixteen students, was first organized by its director in 1957 for the purpose of performing a variety of types of music, ranging from early vocal repertoire to contemporary compositions. The members of the group are carefully selected on the basis of musical ability, scholarship, personality, and character.

In May and June of this year the group will be going to Europe, with concerts scheduled in Portugal, Italy, West Germany and Denmark. As in the case of past tours of New Zealand and the Orient, this year's trip is a Missions Tour planned on the invitation of the mission directors and endorsed by the Department of World Missions of the Church of Nazarene.

Concert Band

The American Guild of Organists, or AGO, is an organization concerned with the promotion and continuation of consistently good music in our American churches. NNC's twentytwo member student chapter was formed September 29, 1978; the charter group was named the Regal Chapter. The motto signifies the purpose of the Guild — "Solo Deo Gloria," *To God Alone the Glory!* Activities this year have included: a workshop in church music and service playing with Dr. Paul Manz, Advent recital, monthly organ recitals and master classes, senior organ recitals of C of I — Nancy Parks and Dale Golden, Four day Portland — Seattle field trip which included an examination of several area pipe organs, the "Organ Grinder," Rodgers Organ Factory, an organ concert and church service at St. Mark's Cathedral in Seattle.

Athletics is as diversified as individual tastes. No matter what your ability of likes, there is something for you. Athletics at NNC is much more than the Varsity teams (which are also important). It is Intramurals and facilities for individual recreation, from Foosball to swimming to racquetball. Athletics at NNC is very vital because it emphasizes keeping the body that we live in fit.

1977-78 VARSITY BASKETBALL AWARDS

4 year awards were given to Rommie Lewis and Fritz Jenkins.

And Come Out on Top.

Big Orange Machine

During the half time of one of the Crusader's games, the Nampa High Drill team performed. They did an excellent job of timing and control. Just as in Basketball when the game depends on one's ability of ball control and the timing of the other player's movements. That is a good basketball player's technique, the same as that of one who is on the drill team.

Front Row; Left to Right: Dave Vining, Burton Sorenson, Kevin Rosensau, Randy Miller, Ron Howard. Back Row: Keith Spicer, Wayne Buck, Larry Woo Ken Rowley, Bob Cotner, John Smith.

Batters Bag Bases

Another season has come and gone as our Baseball team had great determination to be victorious.

Throughout the year the team showed great spirit and potential.

The beginning was a little slow but soon it showed what really can happen when a team gets together as one.

SEASONS AWARDS 1977-78 BASEBALL TEAM

INTRAMURALS

1

Under the direction of Coach Layton NNC has had one of its better years in Intramural activities.

Such activities are frisbee, golf, foosball, and other such sports.

One of the biggest events in the second season as Intramural was the walkathon with many kinds of all ages participating.

Intramurals gave a chance for everyone to get out and become active.

You didn't need to be an athlete, this was proved by many of our sports.

For our Powder Puff Beauties were no Dallas Cowboys and our Intramural baseball teams were no Oakland A's, but they did give the ones who were not able to participate an enjoyable time of entertainment.

POWDER-PUFF CHEERLEADERS

Front; Left to Right: Greg Ishem, Mark Barnes, Ken Gray. Behind; Standing: Jeff Justice, Keith Spicer. Top: Steve Wilson.

"IF GIRLS CAN PLAY FOOTBALL, GUYS CAN BE CHEERLEADERS!"
