**Teacher:** Ladies and gentlemen, boys and girls, kids of all ages--welcome to Camp Naz Under the Big Top! My name is \_\_\_\_\_ and I'm so glad that you could join me! For the next three days, we're going to be talking about and doing a lot of BIG things together and the focus of the next three days will be on a BIG God who helps us have BIG Faith!

We'll be learning about three different people from the Bible who had BIG faith in God and because of that, they were able to do BIG things! Yesterday we learned that Abraham had to face a pretty big challenge. God asked him to leave his home, his family, and his country behind and set off for a new land.

Now, Abraham could have said, “No way, God! That's not happening!” But he didn't. Abraham trusted God and believed that God only wanted good things for him. So, Abraham put his BIG FAITH into action and he did exactly as God asked. Because of that, God blessed Abraham—just as He'd promised—by making Abraham the father of a great nation of people—God's people! And today, all of us are part of that great nation!

Each night, the first thing that is going to happen, is that we will spend time worshipping together! So, I need everyone up on their feet as we get ready to worship God!

Day #2 - Rahab  
Under the BIG Top

Just like last night, it's time for you to go outside and visit all the different activities we have planned for you. Each of our leaders should have a schedule of games and activities that your group will follow. Leaders, all you have to do is follow the schedule to help you navigate your way through the rotation of stations. When everyone is finished, we'll meet back here to wrap up the evening.

Be sure to stay with your group, listen to your leaders and keep your hands to yourself. But, most of all, have fun! I'll see you back here in about an hour.
